Is your child a young carer? A young carer is someone under 18 who is caring unpaid for a family member, or friend, who is mentally or physically unwell, frail, disabled or who misuses substances.

They often take on practical and/or emotional caring responsibilities that would normally be expected of an adult.

Please let us know so we can support them in school and also provide further information and support from external agencies. Mckees12@hwbcymru.net
