GENERAL REMINDERS / Requests

SCHOOL DINNERS

Big Fresh, the school catering company for all schools in the Vale of Glamorgan are making a change to the Menu.

Next week WRAPS will replace baguettes. The following week, sandwiches will replace wraps. This is a trial to determine the best option for our children. The same filling options will be available.

NURSERY TRANSITION

Children who will be starting Reception in September are invited to stay for lunch on **1st July** as part of their transition; please send them with a packed lunch containing **no nuts**, as we are a nut-free school. Pick up will be later that day at **11:45**. We also want to let you know that our Nursery Graduation will take place on **16th July**, giving us a lovely opportunity to celebrate the children's year with you and offer a tour of their new classroom, where they will continue with the same group of friends.

SUMMER FAIR

We are busy planning our Summer Fair – **TICKET TO SUMMER on Wednesday 24th June**, and looking forward to your support on the day. If anyone would like to **volunteer their time before** the fair to help set up, run a stall or would like a stall of your own please speak to Mrs. Walker or send her an email WalkerA98@hwbcymru.net. **We would appreciate any raffle prizes, as well as any full bottles, jars or tins (squash, pop, alcohol, sauces, beans etc.)** for a bottle and tombola raffle. Or **any Nerf Guns** no longer required. Could the items be bought into school **before the end of next week** please. All money raised will be split between our charity of the year and to boost school funds within classes to buy items for the children. The Summer Fair will take place after school from 3pm on the yard. Please note that this is not a supervised school provision. Parents and carers remain fully responsible for their child's attendance, supervision and safety throughout the event. Children must remain with their parent or carer at all times. Any unaccompanied child may be asked to wait with a member of staff until their parent/carer is located.

WEATHER GUIDANCE

With warmer weather forecast over the coming week, all schools are asked to implement the following control measures to ensure the safety and wellbeing of pupil, staff and visitors.

General Precautions:

Sun Protection: Sunscreen should be applied before school. Please provide your child with a hat and wear light, loose clothing.

Hydration access: Please provide your child with a water bottle. Pupils have continued daily access to drinking water in classes and refill stations are accessible.

Adjustment of physical activities: Intensity of PE lessons and awareness of peak heat (11am to 3pm) will be considered by class teachers.

Shaded Areas: Children will be encouraged to use shaded areas during outdoor sessions, break and lunchtimes.

HEALTHY SCHOOL

At High Street Primary, we encourage children to bring a healthy snack for break time. No processed foods - items will be removed from children and returned at the end of the day.

☒ Fruit or vegetables only – Grapes must be cut in half before they are sent to school as these are a choking hazard.

- ⊗ No nuts or may contain nuts products.
- ⊗ No crisps, chocolate, biscuits, or processed snacks.
- ⊗ No squash or fizzy drinks – please send in a water bottle that can be refilled throughout the day. Milk is also available daily.

Helping children eat well supports their learning, concentration, and overall health. Thank you for supporting our healthy school approach!
